

A man with a beard and slicked-back hair, wearing a white long-sleeved shirt and white pants, is sitting in a wooden chair. He is holding a glass of whiskey in his right hand. The room has dark wood paneling on the walls. To the left, there is a lamp with a pleated shade on a wooden pedestal, and a bronze statue of a woman stands on the same pedestal. The lighting is warm and focused on the man.

A man with a beard and mustache, wearing a dark tuxedo jacket, a white dress shirt, and a dark bow tie, is singing into a microphone. He is holding the microphone with his right hand and has his left hand raised in a gesture. The background is dark, suggesting a stage or concert setting. There are some musical instruments and stands visible in the background.
